Set yourself up for success next spring this fall.

Korrex™ II

HERBICIDE

PrePass™ XC

HERBICIDE

Paradigm™

Arylex™ active

HERBICIDE

PrePass™ FLEX

HERBICIDE

Tighter rotations, reduced tillage and resistant weeds make it hard to get a truly clean burndown with glyphosate alone. Choose one of our pre-seed herbicides with SoilActive™ technology, and you'll get the weed control you need to give you a clean, efficient start next spring.

SAVE ON YOUR FALL PRE-SEED WHEN YOU PURCHASE BY SEPTEMBER 15, 2018
